WORK EXPERIENCE — 8 Months

AJ Constructions — **Accountant & Supervisor** — **June 2024 - January 2025**

Accounts & Bookkeeping	▪ Owned site-level accounting end to end - invoice verification, payment reconciliation and vendor ledgers - the financial link between vendors and the project owner.
Site Supervision	▪ Ran daily on-site supervision across contractor and labour teams - tracking material drawdown against procurement and flagging schedule slippage against the construction plan.

GOVERNMENT FELLOWSHIP — Ongoing

Chief Minister's Good Governance Fellow, Government of Chhattisgarh — **Aug 2025 - Mar 2027 (tentative)**

Working with the Department Secretary's office: Commercial Tax (Registration), Housing & Environment, and Good Governance (CM Helpline 1076)

Registration & Stamps Reform	▪ Catalogued 30 reforms from 10 states (13 policy, 17 technical), benchmarking Chhattisgarh's registration and stamps administration against Karnataka, Telangana, Maharashtra and Gujarat. Pitched the set to the Secretary, who **directed officers to implement two**: Sub-Registrar performance analytics and dedicated counters for women and senior citizens.
Blockchain DPR - Property Registration	▪ Ran a feasibility study recommending a sequenced roadmap over an immediate ledger, then authored the Detailed Project Report - architecture, legal framework, risk register and a **Rs 3.24 crore programme across 107 sub-registrar offices**, with an interactive dashboard for the proposal.
Cool Roof Policy Pitch - Housing & Environment	▪ Pitched a **zero-budget** Cool Roof policy making heat-reflective roofing (SRI 78+) a condition of the occupancy certificate instead of a subsidy, with enforcement built into four building-permission checkpoints and the Rs 2-4/sq ft cost borne by the developer. Benchmarked against Telangana's 2023 order.
CM Helpline 1076 - Grievance Mapping	▪ Categorised and mapped grievance services for Housing & Environment and Commercial Tax with the Good Governance Department; built the **L1-L4 officer escalation map** and remain point of contact for portal issues. Asked by the Secretary's office to prepare L4 dashboard guidance in English and Hindi.

CERTIFICATIONS, INTERNSHIPS & PROJECTS

Independent Research	▪ **The Next Ten Registries** (Oct 2026) - ten-state scorecard of registration-data readiness built from 21 public sources, with a Sub-Registrar performance prototype on synthetic data; published with live demos at ayushwho18.github.io.
Microsoft Power BI Data Analyst	▪ 8-course Professional Certificate, Coursera/Microsoft (Jun 2025) - Excel data prep, Power BI ETL, data modelling, DAX, dashboards; Microsoft PL-300 exam preparation.
Pre-MBA Statistics	▪ IIM Ahmedabad, via Coursera (Jun 2025) - foundational statistics for MBA coursework: probability, hypothesis testing, regression.
Financial Budgeting & Forecasting	▪ Udemy, Financial Budgeting and Forecasting In Excel (Sep 2026) - built a full 3-year quarterly financial model (P&L, balance sheet, cash flow, inventory, variance analysis) driven from a single assumptions tab.
Equity Research & Financial Modeling	▪ Live Project, Skilled Sapiens (22 Jun - 19 Jul 2025) - Analyst Intern; built an equity research report and financial model for Dabur India applying taught valuation frameworks.

POSITIONS OF RESPONSIBILITY
